SHINYDOCS CERTIFIED AS A GREAT PLACE TO WORK® FOR 2021-2022 YEAR

It's Official, Shinydocs is a Great Place to Work®!

Shinydocs is proud to announce that we have been certified as a Great Place to Work® after a thorough, independent analysis conducted by Great Place to Work Institute® Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about their workplace experience.

Joanna Woo, Director of People and Culture at Shinydocs, says she is proud of the work put in to generate excitement about working at Shinydocs. "Everyone here cares about one another and because of that, we will continue to pay attention to the needs of our team and do what we can to deserve this honour and recognition."

Jason Cassidy, CEO at Shinydocs, echoes Woo's sentiment, adding that he is looking forward to the future. "Shinydocs solves enormous challenges for our clients. I am proud of our team who always puts the customer at the forefront of everything we do. It makes me really excited for our continued journey ahead!"

Nancy Fonseca, Senior Vice President of Great Place to Work® Canada, says that a great workplace is about the level of trust that employees experience in their leaders, the level of pride they have in their jobs, and the extent to which they enjoy their colleagues. "Our data shows that great workplaces benefit from stronger financial performance, reduced turnover, and better customer satisfaction than their peers. What's more, work environments with trust at the foundation are ripe for innovation, agility, resilience and efficiency," Fonseca said.
